The "Baseball Fans" are the biggest supporters of our beloved Washington Senators. They are proud fans and are not afraid to show it, especially through their clothing.

Tip: Baseball Fans are prepared to be at the game all day. Wear jeans and shoes that you are comfortable in (This is also great for your choreography)

The Washington Senators team colors are Blue, White and Yellow. Blue jeans with any combination of Baseball Tee, Jersey, or t-shirt in the team colors will be perfect for your costume. Socks, Scarves, belts and hats are also great accessories to help incorporate the colors into your look.
