 "Grievance Committee"

The "Grievance Committee" are the employees of the factory that join together to bring justice to the workplace.

Tip: These are working professionals. What would someone wear to work during this time? Modest and polished works best for these characters.

The color palette for the committee is Blue, Purple, Yellow and Pink. Skirts and Dresses in these colors are perfect. Patterns or prints, if any, should be muted and minimal. Capri pants and a blouse is also a great option. Shoes should be flat and comfortable in a neutral color. An optional cardigan can add a nice touch to any outfit.
